

KONICA MINOLTA

bizhub c25 

MINIMISE ALL. MAXIMISE ALL.

*Condensing all the required functions
in a compact body.
Our pursuit to "Optimise" from various angles.*

The bizhub C25 was developed by researching and investigating the use of office MFPs in its class. The end result focuses on printing functions with the same high functionality and operability of higher-end devices, and an exceptionally fast copy out time for the first sheet of paper. These essences are condensed in a compact body that allows easy placement in small spaces. For large offices, the bizhub C25's integration with A3 MFPs realises the optimal placement of input and output devices.

KONICA MINOLTA
**OPTIMISED
PRINT SERVICES** TM

*From consulting, system design, to operations,
Konica Minolta offers total support to optimise
your office output environment.*

Giving Shape to Ideas

The compact MFP that optimises your office environment

To realise a highly productive office, the required number of devices with the required functions must be optimally placed in their required locations. Konica Minolta bizhub C25 compact colour MFP allows you to optimise the placement of office input and output devices through integration with A3 MFPs, to greatly increase business efficiency while reducing TCO.

Optimised Office Solution 1

Easy placement in hard-to-install spaces with a space-saving compact body

- Significantly compact in size with a 44% reduced footprint (compared with the bizhub C20). This allows installation in tight spaces for higher-level freedom of placement.

Optimised Office Solution 2

Enhance business productivity with high image quality and high-speed outputs

- Top-class* printing performance and image quality realised through KONICA MINOLTA's Emperon print technology, also used in A3 devices. High speed and high quality outputs of various often used office documents including PowerPoint and PDF data.

* A4 20 ppm class MFP

- Standard equipped USB port on the control panel for direct printing* of files from a USB memory device.

* Optional HD-P03 is required.

Optimised Office Solution 3

Share knowledge efficiently within the office with generous scanning functions

- Generous scanning functions, including Scan-to-Email and Scan-to-FTP, accelerate the digitisation of documents, contributing to reduced paper outputs and the sharing of information. Scanned data can also be directly saved onto a USB memory device.

Ecology & Environment

KONICA MINOLTA products are designed with the environment in mind.

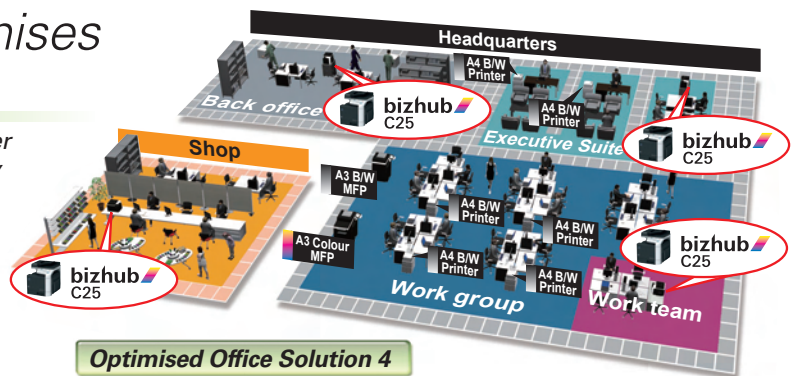

- RoHS Compliance
- Eco-friendly Toners
- WEEE Compliance
- Production at ISO Certified Factories

Requirements for safe use

- Please read and follow the instruction manual to ensure safe operation.
- Only operate using appropriate power supply and voltage.
- Connecting the earth wire to an inappropriate place may cause explosion or electric shock. Please connect accordingly (Taiwan and the Philippines only).

Optimised Office Solution 4

Operability that's quickly ready when required with a First Copy Out Time of only 16 seconds in colour

- Fast First Copy Out Times of 16 seconds (A4) in colour and 11 seconds (A4) in black & white.
- Compatible with paper up to 210 g/m² for both the standard tray and multiple bypass tray. Duplex printing also possible for paper up to 210 g/m².

Optimised Office Solution 5

Strengthen management through environmental compliance and reduced operating costs

- Separated toner cartridges and drum for longer-life consumables.
- Simitri HD toner with biomass, which uses plant-based resources, for reduced environmental burden, as well as lower CO₂ emissions during toner production.
- Automatic duplex printing is standard equipped to contribute to paper conservation.
- Adoption of an environmentally considerate ozone-free charge roller.

bizhub C25 General Specifications

Type	Desktop Full-Colour Printer/Copier/Scanner	
Colour Support	Full-Colour	
Copy Resolution	600dpi x 600dpi	
Scanning Resolution	600dpi x 600dpi	
Print Resolution	600dpi x 600dpi x 3bit	
Gradation	256 colour shades per pixel (8-bit)	
Memory Capacity	Copy	128MB (Shared with copy, scan and fax) (Std/Max)
	Print	256MB (Std) / 512MB (Max)
HDD	40GB (optional) (Printer only)	
Original Type	Sheets, Books, Objects	
Max. Original Size	A4 or 8.5" x 14" (ADF only)	
Output Size	Tray 1 (Standard)	A4, A5, B5, A6, B6, 16K
	(Multiple Bypass Tray)	4" x 6", 5.5" x 8.5", 8.5" x 11", 8.5" x 14"
	Tray 2 (Standard)	A4, A5, B5, A6, B6, 16K
	(Universal Tray)	4" x 6", 5.5" x 8.5", 8.5" x 11"
Tray 3 (Optional)	A4, B5	
	(Universal Tray)	8.5" x 11", 8.5" x 14"
Image Loss	Copy	Max. 4.0 mm for Top/bottom/right/left edge
	Print	Max. 4.2 mm for Top/bottom/right/left edge
Warm-Up Time (23°C, std. voltage)	38 sec. or less (May vary depending on the operating environment and usage.)	
First Copy Time	Colour/B&W	16.0 sec. or less/11.0 sec. or less (600 x 300 dpi, fastest speed) (A4)
First Print Time	Colour/B&W	16.0 sec. or less (A4)
Copy/Print Speed (continuous)	Colour/B&W	24 cpm (ppm) (A4)
Copy Magnification	Fixed Same Magnification	1:1±1.0% or less
	Scaling Up	1:1.15 / 1.41 / 2.00 / 4.00
	Scaling Down	1:0.86 / 0.70 / 0.50 / 0.25
	Zoom	Flatbed
	ADF	25 to 400%, 1% increments
Paper Capacity	Standard	100-sheet multiple bypass tray, 250-sheet universal tray
	Max.	850 sheets (total, with options)
Paper Weight	60 to 210 g/m ²	
Multiple Copy	1 to 99 sheets	
Power Requirements	220 to 240 V (50 to 60 Hz)	
Max. Power Consumption	1.1 kW or less	
Dimensions [W] X [D] X [H]	447 mm X 558 mm X 490 mm (17-1/2" x 22" x 19-1/4")	
Weight	32kg (70-1/2lb)	
Space Requirements [W] X [D]	724 mm X 902 mm (28-1/2" x 35-1/2")	

bizhub C25 Options

- HDD (250 GB¹) HD-P03²
- CF Adapter MK-725²

¹ 40 GB of available space due to product specifications. ² HD-P03 and MK-725 cannot be installed together.
